DEFINITIONS/GLOSSARY OF TERMS

Definitions/Glossary of Terms

Product – Specific Mercury Marine Product type.

Mercury Marine Limited Warranty – Mercury Marine Products carry a limited warranty that varies by specific Product.

Mercury Marine Limited Corrosion Warranty – Mercury Marine Products carry a limited corrosion warranty that varies by specific Product.

Warranty Chart – Chart detailing the specific duration of Mercury Marine Limited Warranty by Product.

Pleasure Use – Product purchased from a Mercury Marine authorized dealer for recreational use with no intent to resell or generate income by use or benefit, even if only occasionally used for such purpose.

Commercial Use – Any work or employment-related use of the Product, or any use of the Product that generates income, for any part of the warranty period, even if the Product is only occasionally used for such purposes.

Government Use – Product purchased by a government entity (local/municipal, state, federal, or USCG/military), educational entities/marine labs, certain nonprofit organizations that benefit boater's safety or youth involvement, or organizations run by government funding.

DEFINITIONS/GLOSSARY OF TERMS

Notes:

WARRANTY REGISTRATION AND TRANSFER

Warranty Registration – United States and Canada

This Mercury Marine Limited Warranty applies to new Product purchased in the United States and Canada. Terms and Conditions may vary in other regions of the world.

To be eligible for warranty coverage, the Product must be registered with Mercury Marine. At the time of sale, the dealer should complete the warranty registration and immediately submit it to Mercury Marine. Upon receipt of this warranty registration, Mercury Marine will record the registration. Warranty coverage is not effective until your Product is registered with Mercury Marine and the warranty registration process is not related in any way to the process of obtaining a license, title, or registration from state boating authorities.

You may change your address on file with Mercury Marine at any time, including at the time of a warranty claim by calling, mailing, or faxing your name, previous address, new address, and engine serial number to the Mercury Marine Warranty Registration Department. Your dealer can also process this change of information.

At Mercury Marine, every engine is operated and tested before it is boxed for shipment to make sure the Product is ready for use. Certain Products are tested in a controlled and monitored environment, for up to approximately 10 hours of run time, to verify and make a record of compliance with applicable standards and regulations. All Mercury Marine Product, sold as new, receives the applicable Mercury Marine Limited Warranty coverage, whether the engine participated in one of the required test programs described above or not.

NOTE: Registration lists must be maintained by Mercury Marine and any dealer on marine products sold in the United States should a safety recall notification under the Federal Boat Safety Act be required.

For Mercury Marine's Privacy Policy, visit: <https://www.brunswick.com/privacy-policy>

Transfer of Warranty – United States and Canada

The Mercury Marine Limited Warranty is transferrable to a subsequent purchaser, but only for the remainder of the unused portion of the Mercury Marine Limited Warranty. The Mercury Marine Limited Warranty cannot be transferred on products used for commercial applications.

To transfer the Mercury Marine Limited Warranty to the subsequent owner, mail or fax a copy of the bill of sale or purchase agreement, new owner's name, address, and engine serial number to the Mercury Marine Warranty Registration Department.

Upon processing the transfer of the warranty registration, Mercury Marine will record the new owner's information. There is no charge for this service.

WARRANTY REGISTRATION AND TRANSFER

Notes:

MERCURY MARINE LIMITED WARRANTY

Mercury Marine Limited Warranty

WHAT IS COVERED

Mercury Marine warrants its new Products to be free of defects in material and workmanship during the Mercury Marine Limited Warranty period.

DURATION OF COVERAGE

This Mercury Marine Limited Warranty provides coverage for the time specified in the **Warranty Chart**. Unless applicable rules and regulations otherwise specify, the time is measured from the date the Product is first sold to a retail purchaser, or the date on which the Product is first put into service, whichever occurs first. Batteries for electric outboard Product are excluded from Warranty three (3) years after date of invoice. All other Product is excluded from Warranty six (6) years after its date of manufacture.

The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date. Unexpired warranty coverage can be transferred from one pleasure-use customer to a subsequent pleasure-use customer upon proper re-registration of the Product. Unexpired warranty coverage cannot be transferred to or from a commercial-use customer.

CONDITIONS THAT MUST BE MET TO OBTAIN MERCURY MARINE LIMITED WARRANTY

Warranty coverage is available only to retail customers who purchase from a dealer authorized by Mercury Marine to distribute the Product in the country in which the sale occurred, and then only after the Mercury Marine specified predelivery inspection (PDI) process is complete and documented. Warranty coverage becomes available upon proper registration of the Product by an authorized dealer. Inaccurate warranty registration information regarding pleasure use, or subsequent change of use from pleasure to commercial (unless properly registered) may void the warranty at the sole discretion of Mercury Marine.

PURCHASER'S RESPONSIBILITY

Perform all regular maintenance in compliance with the schedule in the applicable Operation and Maintenance manual. Maintain records of service and maintenance performed on Mercury Marine Products. Mercury Marine reserves the right to make warranty coverage contingent upon proof of proper maintenance.

WHAT MERCURY MARINE WILL DO

Mercury Marine's sole and exclusive obligation under this warranty is limited to, at Mercury's option, repairing a defective part, replacing such part or parts with new or Mercury Marine certified remanufactured parts, or refunding the purchase price of the Mercury Marine Product. Mercury Marine reserves the right to improve or modify Products from time to time without assuming an obligation to modify Products previously manufactured.

MERCURY MARINE LIMITED WARRANTY

HOW TO OBTAIN WARRANTY COVERAGE

Warranty claims must be made through a Mercury Marine authorized repair facility. The customer must provide Mercury Marine with a reasonable opportunity to repair and reasonable access to the Product for warranty service. Warranty claims shall be made by delivering the Product for inspection to a Mercury Marine dealer authorized to service the Product. If the purchaser cannot deliver the Product to such a dealer, written notice must be given to Mercury Marine. Mercury Marine may then arrange for the inspection and any covered repair. The purchaser, in that case, shall pay for all related transportation charges and/or travel time. If the service provided is not covered by this warranty, the purchaser shall pay for all related labor and material and any other expenses associated with that service. The purchaser shall not, unless requested by Mercury Marine, ship the Product or parts of the Product directly to Mercury Marine. Products, which upon inspection, have been found to be not failed or not required to complete repairs, or were replaced without proper authorization will be returned.

WHAT IS NOT COVERED

This Mercury Marine Limited Warranty does not cover:

- Routine maintenance items or adjustments
- Normal wear and tear
- Faded paint
- Jet pump impellers or liners
- Bearings with water damage resulting from improper maintenance
- Cost of repairs performed outside normal working hours

This Mercury Marine Limited Warranty also does not cover damage caused by any of the following:

- Abuse, abnormal use, neglect, accident, submersion, striking a submerged object, improper service, alteration or removal of parts
- Use of a propeller or gear ratio that does not allow the engine to run at its recommended RPM range (refer to the Operation and Maintenance manual)
- Operation of the Product in a manner inconsistent with the recommended operation and duty-cycle (refer to the Operation and Maintenance manual)
- Improper installation (proper installation specifications and techniques are set forth in the installation instructions for the Product)
- Use of an accessory or part that was not manufactured, sold, or tested by Mercury Marine
- Operation with fuels, oils, or lubricants that are not suitable for use with the Product (refer to the Operation and Maintenance manual)

MERCURY MARINE LIMITED WARRANTY

- Water entering the engine through the fuel intake, air intake, or exhaust system; insufficient cooling water caused by blockage of the cooling system by a foreign body, running the engine out of water, or mounting the engine too high on the transom or running the boat with the engine/drive trimmed out too far

TERMINATION OF COVERAGE

Warranty coverage may be terminated for Product:

- Modified without authorization
- Repossessed from a retail customer
- Purchased at an auction, from a salvage yard, or from an insurance company that obtained the Product as a result of an insurance claim
- Registered with incorrect information

Use of the Product for racing or other competitive activity, at any point, even by a prior owner of the Product, voids the warranty.

Expenses related to haul-out, launch towing, storage, telephone, rental, inconvenience, slip fees, insurance coverage, loan payments, loss of time, loss of income, or any other type of incidental or consequential damages are not covered by this warranty. Also, expenses associated with the removal or replacement of boat partitions or other material to gain access to the Product are not covered by this warranty.

Mercury Marine Limited Corrosion Warranty

Mercury Marine warrants that each new Product will not be rendered inoperative as a direct result of corrosion for the time specified in the **Warranty Chart**.

Corrosion prevention devices specified in the Operation and Maintenance manual must be in use on the boat, and routine maintenance (including without limitation the replacement of sacrificial anodes, use of specified lubricants, and touch-up of nicks and scratches) must be performed according to the schedule in the Operation and Maintenance manual to maintain warranty coverage.

WHAT IS NOT COVERED

This Mercury Marine Limited Corrosion Warranty does not cover:

- Electrical system corrosion
- Corrosion resulting from damage
- Corrosion that causes cosmetic damage
- Damage resulting from abuse or improper service
- Corrosion to accessories, instruments, or steering systems
- Damage due to marine growth
- Product sold with less than a one-year Mercury Marine Limited Warranty
- Replacement parts (parts purchased by the customer)

MERCURY MARINE LIMITED WARRANTY

- Product other than SeaPro used in a commercial application
- Corrosion damage resulting from improper paint application (refer to the Operation and Maintenance manual for acceptable paint applications)

Additional Mercury Marine Limited Warranty Terms and Conditions for V12 Outboard, Zeus Pod Drive, and Mercury Diesel 3.0L and 6.7L Product

WHAT IS COVERED

The Mercury Marine Limited Warranty for V12 Outboard, Zeus Pod Drives, and Mercury Diesel 3.0L and 6.7L covers reasonable and customary expenses related to a warranty repair, including parts, labor, and travel, however, the authorized Mercury Marine repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing the warranty repair. If the warranty repair cannot be conducted at the authorized repair facility, travel time allowance for pleasure and commercial-use is limited to 250 miles and 5 hours per warranty event. When travel exceeds 25 miles one way, Mercury Marine reserves the right to reduce travel time and distance to that of the nearest authorized dealer to the vessel's location. The authorized repair facility must obtain preauthorization from Mercury Marine's Service Department prior to commencing travel activities.

EXTENDED MAJOR COMPONENTS LIMITED WARRANTY

The Extended Major Components Limited Warranty begins when the three-year Pleasure Use Mercury Marine Limited Warranty expires. For an additional 24 months or 1,000 hours in service, whichever occurs first, the Extended Major Components Limited Warranty covers warrantable failures of the following components:

MERCURY MARINE LIMITED WARRANTY

Zeus Pod Drive Components	3.0L and 6.7L Diesel Engine Components
<ul style="list-style-type: none"> • Marine gear housing casting • Marine gear drop-box housing casting • Steering actuator housing casting • Drive midsection casting • Clamp rings • Driveshaft (U-joints excluded)* <p>Underwater impact damage excluded from:</p> <ul style="list-style-type: none"> • Lower gear housing casting • Trim tab casting • Bearing carrier casting • Intermediate shaft • Skeg 	<ul style="list-style-type: none"> • Marine gear housing casting • Cylinder block casting • Cylinder head casting • Camshaft forging • Crankshaft forging • Connecting rod forging • Flywheel housing • Timing gearcase • Timing gears
<p><i>*To qualify for coverage, the driveshaft must have been originally supplied to the boatbuilder by Mercury Marine.</i></p>	

Additional Mercury Marine Limited Warranty Terms and Conditions for Batteries for Electric-Powered Propulsion Product

In addition to all applicable items listed under **Mercury Marine Limited Warranty – What Is Not Covered**, the Limited Warranty for batteries does not cover any of the following:

- Failures caused by deep discharge or improper storage as defined in the Operation and Maintenance Manual, including (but not limited to) storing the batteries for an extended period without charging.
- Batteries that are used for any purpose for which they are not intended (outside anticipated marine applications).
- Batteries that have the serial number tag rendered illegible, removed, or modified.
- Batteries that are retail-sold beyond three years from the invoice date.

MERCURY MARINE LIMITED WARRANTY

Notes:

DISCLAIMERS, LIMITATIONS, AND WAIVERS

Disclaimers, Limitations, and Waivers

No individual or entity, including Mercury Marine authorized dealers, has been given authority by Mercury Marine to make any affirmation, representation or warranty regarding the Product, other than those contained in this Mercury Marine Limited Warranty, and if made, shall not be enforceable against Mercury Marine.

DISCLAIMERS AND LIMITATIONS:

THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED. TO THE EXTENT THAT THEY CANNOT BE DISCLAIMED, THE IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE LIFE OF THE EXPRESS WARRANTY. INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE EXCLUDED FROM COVERAGE UNDER THIS WARRANTY. SOME STATES/COUNTRIES DO NOT ALLOW FOR THE DISCLAIMERS, LIMITATIONS, AND EXCLUSIONS IDENTIFIED ABOVE; AS A RESULT, THEY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE AND COUNTRY TO COUNTRY.

SUBMISSION TO JURISDICTION

ANY LEGAL SUIT, ACTION, OR PROCEEDING ARISING OUT OF OR RELATING TO THIS MERCURY MARINE LIMITED WARRANTY OR THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE INSTITUTED IN THE COURT OF THE STATE OF WISCONSIN, COUNTY OF MILWAUKEE, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT IN ANY SUCH SUIT, ACTION, OR PROCEEDING. THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO JURISDICTION AND/OR VENUE OF ANY SUIT, ACTION, OR PROCEEDING IN SUCH COURTS AND IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH SUIT, ACTION, OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

ALL CLAIMS MUST BE BROUGHT IN THE PARTIES' INDIVIDUAL CAPACITY, AND NOT AS A CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.

GOVERNING LAW

ALL MATTERS ARISING OUT OF OR RELATING TO THIS MERCURY MARINE LIMITED WARRANTY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF WISCONSIN WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF WISCONSIN OR ANY OTHER JURISDICTION).

DISCLAIMERS, LIMITATIONS, AND WAIVERS

Notes:

WARRANTY CHART

Warranty Chart

This chart represents the Mercury Marine Limited Warranty on Mercury Marine Products. Promotional coverage may also be available. Contact an authorized Mercury Marine dealer or visit www.mercurymarine.com for details.

This chart applies to eligible Product sold after October 1, 2022.

Batteries for electric outboard Product are excluded from Warranty three (3) years after date of invoice. All other Product is excluded from Warranty six (6) years after its date of manufacture.

Commercial Use Product does not receive promotional benefits, Limited Corrosion Warranty, MerCruiser Horizon Warranty, or Mercury Product Protection.

Engines registered to a boat club are considered Pleasure Use and receive Pleasure Use warranty terms, including the Limited Corrosion Warranty. Engines registered to a boat club are not eligible for Mercury Product Protection.

Mercury Product Protection is available on select models. Contact Mercury Product Protection at 888-427-5373 to determine eligibility.

Horizon product sold directly to governmental agencies or to a governmental agency via a boatbuilder will receive a base Mercury Marine Limited Warranty of 3 years. Promotional warranties will be applied as specified by the terms of those special warranties. For all practical purposes, governmental agency product registrations will be treated as consumer warranty registrations for regular and corrosion warranty. They are ineligible for MPP coverage.		

WARRANTY CHART

Notes:

U.S. EMISSION CONTROL LIMITED WARRANTY

MerCruiser Emission Information

To identify the applicable emission control warranty coverage for a MerCruiser product, refer to the Emission Control Information label affixed to the engine. Engines designated as exempt from either Federal EPA or California emission control regulations are not covered by a separate emission control component warranty. The Mercury Marine Limited Warranty is not affected by the engine's designation under Federal EPA or California emission control regulations. For a list of typical emission control-related engine components, refer to Emission Control System Components.

Emission Control Information Label (MerCruiser Only)

A tamper-resistant emission control information (ECI) label is affixed in a visible location to the MerCruiser engine at the time of manufacture by Mercury. Please note that the low emissions certification will not affect the fit, function, or performance of the engine. Boatbuilders and dealers may not remove the label or the part it is affixed to before sale. If modifications are necessary, contact Mercury about the availability of replacement decals before proceeding. In addition to the required emissions statement, the label lists the engine serial number, family, applicable emission standard, date of manufacture (month, year), and engine displacement.

EMISSION CONTROL INFORMATION

- f - Engine displacement, engine power
- g - Carbon monoxide family emission limit

IMPORTANT: A CE mark in the lower right corner of the Emission Control Information label indicates that an EU Declaration of Conformance applies.

U.S. EMISSION CONTROL LIMITED WARRANTY

IMPORTANT: Engines designated as exempt from either Federal EPA or California emission control regulations are not covered by a separate emission control component warranty. The Mercury Marine Limited Warranty is not affected by the engine's designation under Federal EPA or California emission control regulations.

Owner Responsibility

The operator must have routine engine maintenance performed to maintain emission levels within prescribed certification standards. The operator may not modify the engine in any manner that alters the horsepower or allows emission levels to exceed factory specifications.

U.S. EPA Emissions Limited Warranty

Consistent with the obligations created by 40 CFR Part 1045, Subpart B, Mercury Marine provides an emission warranty of three years or 480 hours of engine use, whichever occurs first, to the retail purchaser for sterndrive and inboard engines; an emission warranty of five years or 175 hours of engine use, whichever occurs first, to the retail customer for outboard engines; and an emission warranty for five years or 500 hours, whichever occurs first, to the retail customer for marine compression ignition engines; that the engine is designed, built, and equipped so as to conform at the time of sale with applicable regulations under section 213 of the Clean Air Act; and that the engine is free from defects in materials and workmanship which cause the engine to fail to conform with applicable regulations. This emission-related warranty covers all the systems and components listed in the **Emission-Related Components** section. Emission-related normal maintenance items such as spark plugs and filters are warranted up to their first required replacement interval only.

Emission-Related Components

For exhaust emissions, emission-related components include any engine parts related to the systems or parts listed below. The emission-related warranty covers all components whose failure would increase an engine's emission of any regulated component including the following list of systems and components:

1. Air-induction system
2. Fuel system
3. Ignition system
4. Exhaust recirculation system
5. Aftertreatment devices
6. Crankcase ventilation valves
7. Sensors
8. Electronic control units

CALIFORNIA EMISSIONS LIMITED WARRANTY

California Emissions Limited Warranty

NOTE: *Mercury Marine does not establish model years for the Mercury product lines. In order to comply with California Air Resources Board (CARB) warranty regulations, and for that limited purpose only, model year shall have the same meaning as calendar year. As an example, 2003 model year products refers to products manufactured during calendar year 2003.*

The California Air Resources Board has promulgated air emissions regulations for marine engines. The regulations apply to all outboard engines that were manufactured for the 2001 model year and newer, and for all inboard and sterndrive engines that were manufactured for the 2003 model year and newer. Mercury Marine, in compliance with those regulations, provides this limited warranty for the emission control systems (refer to the applicable components listed in Emission Control System Components), and further warrants that the engine was designed, built, and equipped to conform with all applicable regulations adopted by the California Air Resources Board pursuant to its authority in Chapters 1 and 2, Part 5, Division 26 of the Health and Safety Code. For information regarding the limited warranty for the nonemissions related components of the engine, refer to **Mercury Marine Limited Warranty**.

WHAT IS COVERED

Mercury Marine warrants the components of the emissions control systems (refer to Emission Control System Components) of its new, 2001 model year and newer outboards and 2003 model year and newer California-certified inboard and sterndrive engines to be free from defects in material or workmanship that cause the failure of a warranted part to be identical in all material respects to that part as described in the application of Mercury Marine for certification from the California Air Resources Board for the period of time and under the conditions identified below. The cost to diagnose a warranty failure is covered if the warranty claim is approved. Damage to other engine components caused by the failure of a warranted part will also be repaired under warranty.

WHAT IS NOT COVERED

Nonwarranty maintenance, replacement, or repair of emission control devices and systems may be performed by any marine engine repair establishment or individual. The use of non-Mercury parts for nonwarranty maintenance or repairs will not be grounds for disallowing other warranty work. The use of add-on (as defined at section 1900 (b)(1) and (b)(10) of Title 13 of the California Code of Regulations) or modified parts not exempted by the California Air Resources Board may be grounds for disallowing a warranty claim, at the discretion of Mercury Marine. Failures of warranted parts caused by the use of a nonexempted add-on or modified part will not be covered.

CALIFORNIA EMISSIONS LIMITED WARRANTY

OWNER'S WARRANTY RESPONSIBILITIES

As the marine engine owner, you are responsible for the performance of the required maintenance listed in your Operation and Maintenance manual. Mercury Marine recommends that you retain all receipts covering maintenance on your marine engine, but Mercury Marine cannot deny warranty solely for the lack of receipts or your failure to ensure the performance of all scheduled maintenance.

As the marine engine owner, you should however be aware that Mercury Marine may deny you warranty coverage if your marine engine or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

You are responsible for presenting your marine engine to a Mercury Marine dealer authorized to service the Product as soon as a problem exists. The warranty repairs will be completed in a reasonable amount of time, not to exceed 30 days. If you have any questions regarding your warranty rights and responsibilities, contact Mercury Marine at 1-920-929-5040.

Explanation of Your California Emissions Limited Warranty

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The California Air Resources Board and Mercury Marine are pleased to explain the emission control system warranty on your 2024–2025 model year marine engine. In California, new marine engines must be designed, built, and equipped to meet the state's stringent antismog standards. Mercury Marine must warrant the emission control system on your marine engine for the periods of time listed here, provided there has been no abuse, neglect, or improper maintenance of your marine engine.

Your emission control system may include parts such as the carburetor or fuel injection system, the ignition system, and catalytic converter. Also included may be hoses, belts, connectors, and other emission-related assemblies.

Where a warrantable condition exists, Mercury Marine will repair your marine engine at no cost to you, including diagnosis, parts, and labor.

MANUFACTURER'S WARRANTY COVERAGE FOR MERCURUISER GAS PRODUCT

Select emission control parts from 2009 and later (inboard or sterndrive) engines are warranted for three years or 480 hours, whichever occurs first. However, warranty coverage based on the hourly period is only permitted for engines that are equipped with hour meters as defined in § 2441(a)(13) or their equivalent. If any emission-related part on your engine is defective under warranty, the part will be repaired or replaced by Mercury Marine.

CALIFORNIA EMISSIONS LIMITED WARRANTY

MANUFACTURER'S WARRANTY COVERAGE FOR OUTBOARD PRODUCT

Select emission control parts from model year 2001 and later outboard engines are warranted for four (4) years, or for 250 hours of use, whichever occurs first. However, warranty coverage based on the hourly period is only permitted for outboard engines and personal watercraft equipped with hour meters, as defined in § 2441(a)(13), or their equivalent. If any emission-related part on your engine is defective under warranty, the part will be repaired or replaced by Mercury Marine.

Emission Control System Components

This emission-related warranty covers all the systems and components listed in this Emission Control System Components section. Emission-related normal maintenance items such as spark plugs and filters are warranted up to their first required replacement interval only.

1. Fuel metering system
 - a. Carburetor/Mixer and internal parts (or fuel pressure regulator or fuel injection system)
 - b. Air/fuel ratio feedback and control system
 - c. Cold-start enrichment system
 - d. Intake valves
2. Air induction system
 - a. Controlled hot air intake system
 - b. Intake manifold
 - c. Air filter
 - d. Turbocharger systems
 - e. Heat riser valve and assembly
 - f. Supercharger systems
3. Ignition system
 - a. Spark plugs
 - b. Magneto or electronic ignition system
 - c. Spark control system
 - d. Ignition coil or control module
 - e. Ignition wires
4. Lubrication system
 - a. Oil pump and internal parts
 - b. Oil injectors
 - c. Oil meter
5. Positive crankcase ventilation (PCV) system
 - a. PCV valve
 - b. Oil filler cap

CALIFORNIA EMISSIONS LIMITED WARRANTY

6. Exhaust system
 - a. Exhaust manifold
 - b. Exhaust elbow
 - c. Intermediate exhaust elbow
 - d. Lower exhaust pipe
 - e. Tailpipe
7. Catalysts or thermal reactor system
 - a. Catalytic converter
 - b. Thermal reactor
 - c. Exhaust manifold
 - d. Exhaust valves
8. Miscellaneous items used in the previously listed systems
 - a. Hoses, clamps, fittings, tubing, sealing gaskets or devices, and mounting hardware
 - b. Pulleys, belts, and idlers
 - c. Vacuum, temperature, check and time-sensitive valves and switches
 - d. Electronic controls

CA EVAPORATIVE EMISSIONS LIMITED WARRANTY

California Evaporative Emissions Limited Warranty

Mercury Marine warrants new CARB certified portable outboard marine tanks, portable outboard marine tank self-sealing caps, portable outboard marine tank fuel hoses, or portable outboard marine tank primer bulbs as free from defects in materials and workmanship that cause such components to fail to conform to any of the certification and compliance standards for a period of one year from the date of sale.

The portable outboard marine tanks, portable outboard marine tank self-sealing caps, portable outboard marine tank fuel hoses, or portable outboard marine tank primer bulbs are certified to California requirements listed in California Air Resources Board Certification Procedure for Portable Outboard Marine Tanks and Components, CP-510.

California Evaporative Emissions Warranty Statement

MANUFACTURER'S WARRANTY COVERAGE

The evaporative emission control system on the outboard engine-mounted fuel tanks (included on 2.5hp, 3.5hp, 4hp, 5hp, and 6hp 4-stroke engines) is warranted for two years. If any evaporative emission-related part on your SIMW is defective, the part will be repaired or replaced by Mercury Marine.

OWNER'S WARRANTY RESPONSIBILITIES

- As the outboard engine owner, you are responsible for performance of the required maintenance listed in your owner's manual. Mercury Marine recommends that you retain all receipts covering maintenance on your outboard engine-mounted fuel tank, but Mercury Marine cannot deny warranty solely for the lack of receipts.
- As the outboard engine-mounted fuel tank owner, you should however be aware that Mercury Marine may deny you warranty coverage if your spark-ignition marine engine or a part has failed due to abuse, neglect, or improper maintenance or unapproved modifications.
- You are responsible for presenting your outboard engine-mounted fuel tank to a Mercury Marine distribution center or service center as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days. If you have a question regarding your warranty coverage, you should contact Mercury Marine at 1-920-929-5040.

COMPONENTS COVERED

The California evaporative emissions control system warranty covers the following list of components:

1. Canister mounting brackets
2. Carbon canister
3. Carburetor purge port connector
4. Clamps*

CA EVAPORATIVE EMISSIONS LIMITED WARRANTY

5. Control cables*
6. Control linkages*
7. Control solenoids*
8. Control valves*
9. Electronic controls*
10. Fuel cap
11. Fuel line
12. Fuel line fittings
13. Fuel tank
14. Liquid/vapor separator
15. Pressure relief valves*
16. Purge valves
17. Vacuum control diaphragms*
18. Vapor hoses
19. All other parts not listed that may affect the evaporative emissions control system

**Note: As they relate to the evaporative emissions control system.*

AUSTRALIAN CONSUMERS ONLY

Marine Power International LLC ACN 003 100 007 of 41-71 Bessemer Drive, Dandenong South Victoria (telephone (03) 9791 5822 email: merc.info@mercmarine) [Mercury Marine] provides the retail buyer of this product with a limited warranty in the terms set forth in the Mercury Marine Limited Warranty contained in this Warranty Manual subject to the following disclosures, variations and additional terms:

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits to the consumer given by the warranty are in addition to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.
3. This warranty does not cover your expenses of claiming the warranty. These expenses must be borne by you.
4. For the avoidance of doubt, the disclaimers in the Mercury Marine Limited Warranty do not apply to any claims made in respect of any applicable guarantees arising under the Australian Consumer Law.
5. This guarantee is governed by and is to be construed in accordance with the laws in force in the State of Victoria and the Commonwealth of Australia and the parties submit to the non-exclusive jurisdiction of the Courts of the State of Victoria.

The V12 **Extended Major Components Limited Warranty**, **U.S. Emission Control Limited Warranty**, **California Emissions Limited Warranty**, and **California Evaporative Emissions Limited Warranty** do not apply to Australian consumers.
